Subject: Administrator memo one pager
Importance: High

Monica and Maureen,

Long story short... Jennifer wants another one pager (in addition to the document that was developed as part of the transition) that she wants to share with Michal and potentially tee up a discussion with the Administrator regarding what to do with the 2019 memo. It is on a short turn around time. I plan to share with Anna and Todd later today, but wanted to have a quick call with Anna in order to not blindsides her. Please take a look and send edits by noon tomorrow.

Rusty
